2022, February

## Number of nights spent by tourists in February 2022 was still clearly lower than two years ago

Overnight stays by resident tourists at Finnish accommodation establishments increased by 23 per cent from last year and 1.04 million nights were recorded for them in February 2022. However, the number of domestic overnight stays was 16 per cent lower than in February 2020 before the pandemic. The number of overnight stays by foreign tourists was over five times higher than in the previous year and the number of overnight stays recorded for foreign tourists was 0.38 million. Finnish accommodation establishments recorded a total of 1.42 million overnight stays, which was 57 per cent more than one year before but 23 per cent less than in February 2020. These figures are preliminary data from Statistics Finland’s statistics on accommodation establishments and they have been collected from accommodation establishments with at least 20 beds or caravan pitches with electricity connection.
